RESULTS OF GALE FROM NORTHEAST

Many Schooners Limping Into Hampton Roads—Some in Bad Shape.

[Special to The Times-Dispatch.]
NORFOLK, Va., November 3.—Crippled schooners are streaming into this port, and it is said by well-informed marine men that there were, within their knowledge, never so many here before at one time.

The northeast gale, which has been blowing for something like six weeks, with only an occasional brief let up, has kept the north-bound fleet outside and some of the longest passages on record have been made. With many north-bound vessels outside and a fleet bound south from ports north of this, came the fierce northeast blow during the last of the past week, in which many sail suffered.

The four-masted schooner Maud B. Krum, Captain Krum, from Carteret, N. J., for Savannah, with phosphate rock, treated for fertilizing purposes, was towed into Hampton Roads yesterday by the tug Joseph M. Clark. A survey was held aboard. The Krum's cargo generated gas and during the storm, while waves rolled over the stern, the gas escaped from the hold, blew her hatchways off and let the waves pour into her hold. Something like 300 tons of the mischievous cargo was consigned to the fish, the hatchways were by fortunate chance kept covered after a fashion and through a wit, seems a series of miracles, the vessel and crew are afloat between Norfolk and Portsmouth.

Near the Krum lies the three-masted schooner O. D. Witherell, Captain Croucher, which sailed from Baltimore for Boston with a cargo of coal, went out Cape Henry Saturday, met the big gale, which carried away her mizzen boom and made beating to the northward impossible.

Near her lies the three-master Joel F. Sheppard, Captain Megree, which sailed from Darien, Ga., September 25th for New York, with a cargo of lumber, and therefore has been out more than a month. She is reported afloat and in considerable canvas.

Over at Portsmouth is another one of the tossed. The four-master schooner Frontenac, from Port Tampa for Norfolk, with phosphate rock for the Royster Guano Company. She has been off Hatteras a couple of weeks or so, but being stout, has not suffered and she must have some new sails.

Down in Hampton Roads, off Sewall's Point, the three-master schooner Florence Shay is anchored by a vessel which towed her in from sea, having found her in distress outside. The Shay sailed from Norfolk for Boston several weeks ago with a cargo of 400 tons of wood paying blocks from the United States Wood Preserving Company's plant here. Captain Gilbert commands her.

News of Petersburg

Times-Dispatch Bureau.

109 North Sycamore Street.

Petersburg, Va., November 3d.

The City Treasurer reports that the city's cash receipts from all sources for the month of October were \$9,024.62.

The City Auditor reports that the expenditures during the month were \$32,461.88.

Heavy payments were made on account of the public improvements in progress. The city has entered on an extensive system of improvements, which are to be continued in the future.

The Common Council held its regular monthly meeting this afternoon, transacting in the main the usual routine business. No new business of public interest was introduced. The ordinary appropriations were granted to the several municipal departments, and some few extra appropriations were made and all bills accruing during the past month were ordered to be paid.

Whipped for Theft.

When the Richmond Tigers were here a few days ago to play a game of football with the Petersburg team several of the members were robbed of personal belongings by a negro boy named Henry Brooks. The boy gained access to their clothing room at the Country Club on a pretense that he was sent by one of the Richmond players for his suit case. He stole some money, several gold stickpins and other articles, including a railway ticket to Richmond, which he used. On his return to the city he was arrested, and much of the stolen property was recovered. He was convicted in the Police Court this morning, but on account of his youth the justice only ordered a good whipping for him.

New Schools in Dinwiddie.

The School Board of Dinwiddie has awarded to Mr. C. E. Markert, a contractor of that county, a contract for the erection of two new public school buildings, one to be located at Kenilworth Park, near this city, and the other for high school purposes, at the courthouse. The latter will cost about \$4,000.

In the Hustings Court to-day argument was heard on the demurrer entered by the defendant to the declaration of Mrs. Alice Rogers, in her suit for damages against the city of Petersburg for allowing a nuisance to exist to the injury of her property. The argument was concluded this afternoon, and decision will probably be rendered to-morrow.

Personal and Otherwise.

Mrs. J. W. Poole has issued invitations to the marriage of her daughter, Ella Virginia, to Mr. Robert Lee Young, to take place Wednesday morning, November 11th, at 10:30 o'clock, at her residence on Liberty Street.

Major Ashleigh R. Moody, of the Seventy-second Regiment, Virginia Volunteers, and a popular young merchant and citizen, is critically ill at the hospital in this city.

As the result of the work of Mr. Harry Kemp of Richmond, grand deputy of the Virginia Royal Arcanum, a large class of candidates was initiated in the order at the meeting of Southside Council in this city to-night. Mr. Kemp has aroused a great deal of interest in the order here.

The election to-day passed off very quietly, though great interest was manifested, and the vote, though far below the aggregate of the qualified list, was larger than expected from the early indications in the day. The fact was apparent that many Democrats remained from going to the polls. They would not vote for Bryan, and they refused to vote the Republican ticket. But others did vote outright for Taft. The scattering votes were very few.

Continental Relief.

In winding up an estate placed in his hands, Mr. John D. Watkins found several interesting Continental relics, in the shape of "current money of Virginia," issued in 1775, Spanish mill notes, etc., in good state of preservation.

Mr. Charles T. Brockwell, son-in-law of Captain S. B. Alley, of this city, died on Saturday in St. Vincent's Hospital, Norfolk. His wife preceded him to the grave in July last.

Last evening at the residence of Mr.

and Mrs. Walter Kruse, on South Street, there was a pretty double birthday celebration, the young ladies receiving congratulations being Miss Myra Adde Kruse and her cousin, Miss Nettie Luellie McCulloch.

NORFOLK, Va., November 3.—The funeral of G. Cooke Ferreree, the V. M. I. cadet who was killed Saturday while playing in a football game between the V. M. I. and Roanoke College teams, took place here this afternoon. Six classmates from the institute were pallbearers.

Arrested on Charge of Trying to Buy Votes.

[Special to The Times-Dispatch.]

BRISTOL, Va., November 3.—M. F. Powers, who has been prominent in the Republican organization in Bristol, Va., was taken in charge on a warrant charging him with an attempt to buy votes. It is charged that he pushed a two-dollar bill into the pocket of Charles Eddip, telling him to vote for Slomp for Congress. This Powers denies, saying that he did not see Eddip until after the latter had voted. He will be given a hearing to-morrow.

Joseph L. Kelly, of Bristol, has been appointed chief counsel of the Virginia and Southern Railway to succeed S. D. D. Hull, Jr., who resigned to accept a similar position with the Virginia Iron, Coal and Coke Company.

Return From Bridal Trip.

[Special to The Times-Dispatch.]

ETNA, N. J., November 3.—Mr. and Mrs. Edward Preston Floyd are back from their wedding trip North. They were married very quietly at the home of the bride, "Hill Top," on 25th of last month. Only a few friends were present. Rev. Frank Burruss, pastor of the bride, officiated. Mrs. Floyd was Miss Minnie Leigh Abrahams, daughter of Mr. J. Mordecai Abrahams, one of King William county's typical farmers. She is a sister of James Mercer Abrahams, connected with the Atlantic Coast Line Railroad. Mr. Floyd is the general manager of the well-kept plantation of 800 acres, "Manskin Lodge," owned by the Wormley family, one of the original tracts of land of Virginia granted by the crown of England. This estate is one of the handsomest homes on the Pamunkey River.

May Go to Alabama.

[Special to The Times-Dispatch.]

NORFOLK, Va., November 3.—Much interest was taken in the report that Rev. George H. Spooner, of Monumental Methodist Church, Portsmouth, would be transferred to Alabama, but this transfer is now believed to be off.

It is stated with considerable positiveness in Methodist circles that Rev. W. G. Parker will not return to Park View, Portsmouth, and he is spoken of in connection with the Suffolk church.

It is believed that Wright Memorial Church, Portsmouth, will have a new pastor next year in the person of Rev. Dr. John Hannon, now of Danville.

Bishop Randolph at South Boston.

[Special to The Times-Dispatch.]

SOUTH BOSTON, Va., November 3.—Bishop A. M. Randolph, of Norfolk, delivered a most excellent sermon on the subject of "Love" at Trinity Episcopal Church last evening. After the sermon a class of six candidates for confirmation went forward and were confirmed by him. Bishop Randolph was assisted by the rector, Rev. G. Peyton Craighill. The music was under the skilful direction of Mrs. Lizlie Green, and an excellent quartet, "To Our Redeemer's Glorious Name," was rendered by Mrs. Frank R. Edmondson, soprano; Mrs. Rebecca Howard, alto; Mr. Frank Edmondson, tenor; and Mr. Henry Pollock, bass.

An occasion of this kind is always grasped with eagerness by the South Boston people, regardless of denomination, as it is a source of great pleasure to hear this man of distinction, and he was greeted by a full congregation.

The bishop was the guest of Mr. W. B. Owen while in town.

Victim of Accident Buried.

[Special to The Times-Dispatch.]

MONTREY, Va., November 3.—The body of Mr. Hugh Wooddell, who was accidentally killed on his way from Staunton, was yesterday brought to his home in Eastern Highland for burial. Mr. Wooddell was an old man, and in company with his son, was bringing a wagon load of freight from Staunton. When near father and son fell from the wagon, one wheel passing over the chest of the former and killing him instantly. The son was seriously hurt, but will recover.

Mr. Wooddell is the fifth Highland victim to meet a similar death within twenty years.

LOCATE WIRZ MONUMENT HERE

Confederate Organizations Will Ask City Council to Provide Park Site.

Confederate organizations located in Richmond will have a conference shortly to act on the offer of the State Daughters of the Confederacy to locate the Wirz Monument in Richmond if the city government will provide the site. The action came as a complete surprise to local Confederate organizations, as it had been supposed here that the question of location of the proposed monument was settled. The vote in the convention of the Daughters of the Confederacy, of which stood forty to thirty-six in favor of Richmond, Macon receiving the next highest vote, after American had retired from the race with only twenty-four votes.

Mayor Richardson has indicated his willingness to bring the matter of locating the site before the City Council in official form at the proper time. The monument has already been completed and is ready for shipment from a marble works in Americus, Ga. The estimated cost of bringing the monument to Richmond and erecting it, not including the cost for site, is \$18,000. The monument bears an inscription declaring that Captain Wirz died rather than incriminate falsely the Confederate President.

One of the triangular parks belonging to the city in the West End will no doubt be offered for the site, as sketches of the proposed monument are received and the Council can determine on the character of the monument and the kind of location that will prove most suitable.

SPECIAL TERM OF COURT TO BE HELD AT FREDERICKSBURG

[Special to The Times-Dispatch.]

FREDERICKSBURG, Va., November 3.—Judge D. C. Grimsley will hold a special term of the Circuit Court of Orange county on Monday, November 16th, to hear the second trial of the damage suit of Sheriff J. Reid Willis, of Louisa county, for \$20,000, against the Chesapeake and Ohio Railway.

Mr. Charles Stuart Waugh, one of the oldest and best known men in Orange county, celebrated his eighty-sixth birthday a few days ago at his home. He is a native of Orange county, and has six children and twenty-five grandchildren. A splendid dinner was served to the large gathering. A huge birthday cake was cut and distributed. Mrs. Waugh died twenty-six years ago. Seven children survive—five daughters and two sons. Twenty-six of Mr. Waugh's descendants were unable to be present, owing to the fact that they lived at distant points. Mr. Waugh has sixty-three grandchildren and fifty-four great-grandchildren. He is still comparatively active. He was the recipient of many presents.

Whiting Point Wharf, a landing on the Potomac River, in King George county, which was destroyed by floating ice last winter, is being rebuilt by the owner, B. C. Grymes.

Mrs. John G. Grymes, of King George county, went to Richmond and operated on at St. Luke's Hospital, a tumor weighing sixty pounds being taken from her.

[Special to The Times-Dispatch.]

WINCHESTER, Va., November 3.—Louise Henry, a well-known vaudeville actress, now with the Keith Circuit, and Dr. Jesse Helman, of Syracuse, N. Y., were married in Baltimore to-day. Mrs. Henry is a daughter of George R. Henry, of Winchester. She was the former wife of Egbert Van Alstine, composer and song writer, and whose song, "In the Shade of the Old Apple Tree," made him famous. Van Alstine recently secured a divorce.

Bakery Is Destroyed.

TRENTON, N. J., November 3.—Fire early to-day destroyed Hill's Bakery in the city. The city water pressure handicapped the firemen, who gave attention to saving other buildings. The loss is estimated at \$50,000.

SEVERE CASE OF PSORIASIS CURED

The Terrible Disease Spread Over Body and Limbs—One of Worst Cases Doctor Ever Saw—Itched Constantly—Defied Treatment.

USE OF CUTICURA MET WITH PERFECT SUCCESS

"I was cured of psoriasis through the use of the Cuticura Remedies. The terrible disease appeared on my arms and legs in small red spots, and it was very itchy. I tried everything, but it did not get better. I was constantly throwing off white scales, with a terrible itching. It spread until I was covered with it. I doctored with two of the best physicians I could find but they could not help me. One of them pronounced it one of the worst cases he ever saw. My mother gave me a bottle of Cuticura. I used it, and I did not get much relief from the first bottle but she urged me to keep on taking it, also using Cuticura Soap and Cuticura Ointment. After a few weeks I saw some improvement, so I kept on using all three of the Cuticura Remedies until, about a year ago, I was entirely over it and have never had any more of the trouble. I am sure that the Cuticura Remedies cured me for I stopped other medicines after I began with Cuticura. We always keep Cuticura Soap and Ointment in the house. James J. Manning, Box 204, Dunellen, N. J., Nov. 45 and 29, 1907."

ECZEMA TWO YEARS

Speedily Cured by Cuticura

"For two years I suffered with eczema which broke out all over my body. It began with an itching and kept me awake at night. I tried everything that was recommended but without results until I was advised to try Cuticura Soap and Ointment. The first week I began to feel better; in two months the itching had stopped and before I had used half a box of Cuticura Remedies I was completely cured. I would not be without Cuticura. It cost five dollars. James A. Arroy, Brookland, D. C., Oct. 6 and 21, 1907."
